Parkside Community Association Summer Arts Camp**

**Must be turned in to the Parkside Community Association at 2318 Main Street, Buffalo, NY 14214 no later than  
May 25, 2018**

**Internship Description**

For our 2018 Parkside Summer Arts Camp we have a formal internship program for those ages 13-14. This program is an evolution from our previous Counselor in Training program, and has been designed to maximize the learning and talent potential of young people after they transition out of the role of camper. Our interns will get hands-on learning experience from our camp staff and teaching artists, while they work to plan their own camp lesson. Over the course of their three week internship, our interns will be tasked with using their imaginations and skill sets to plan and execute what they think would be an entertaining and educational lesson for our campers. In addition to this hands-on experience, our interns will benefit from the same health and safety training as our staff, and be able to apply their time spent interning to any volunteer hours required from their schools. If you or your child is interested in joining us as an intern for 2018, please complete the below application. If you have any questions, please feel free to call the PCA at (716) 838-1240.
